

WHEN ALL ELSE FAILS...

HOW WILL YOU COMMUNICATE?

HAVE YOU CONSIDERED AMATEUR RADIO?

Attend our **"2024 NOARC Tech + General License Class"**

Offered by the **North Okaloosa Amateur Radio Club.**

- This class will prepare you to pass the FCC Technician License exam and the General Class License exam.
 - Learn about Emergency Communications.
- Send email messages when the electrical grid, cell phone towers, and the internet are all down.
 - Provide Community Support for Special Events, Parades, 5K Races, etc.
 - Communicate locally, across the country, and around the world.
- Discover the many sub-hobbies of Amateur Radio including satellite and digital communications.
 - Meet other local hams and become a welcomed member of the local ham community.
