

Tech Nite: Field Day

23 May 2019

NOTES

General Notes

- We lost most of the electronics in the station due to ground lightening
- We are working on getting ARRL insurance within 45 days
- Discussion

Field Day June 21-23 at **Paxton Agricultural Center**: 21972 **US-331**, Laurel Hill, FL 32567

- All Solar Power
- Friday 4:30 show up for set up
- Saturday 1:PM Start
- Sunday 12-4 Wrap Up

- (3) HF Stations (80-40-20)
- Talk-In Station VHF
- GOTA (Get On The Air Station) TBD
- Jesse has a military obligation and will load antennas
- Scott will pick up coax
- Friday set-up: Long pants and waterproof footwear (swampy conditions)
- We have sufficient volunteer laptops
- Need to work out the bugs in CPUs and software
- Bring your own headphones...a ¼ to 3.5mm adapter or reverse may be helpful
- Amazon has upvoltage converters from 12 volts to run laptops without inverters
- Staying overnight? Bring your own cot & sleeping bag
- Saturday: Low Country Boil (Dinner provided)
- Marketing and Advertising: Rob KM4SPJ

Respectfully,

Rob KM4SPJ
